

2018 QUARTER 1 PROMOTIONS

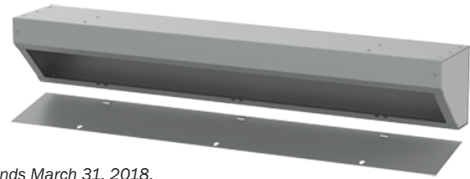

NEW Hoffman Angled Trough – Cuts Installation Time by 80%

New, innovative Hoffman Angled Trough eliminates the need to manually bend 90-degree conduit for wire distribution.

- Flexible install allows conduit runs through six sides of enclosure
- Patented angled design reduces needed wall space
- Easy mounting via holes on enclosure back
- Easy to assemble with removable cover
- Ships completely assembled with no end caps to install

Hoffman®

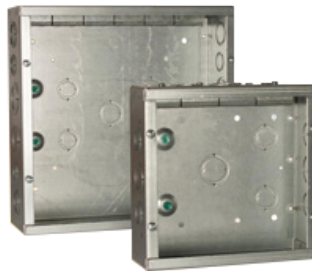

*Available at Wisconsin & Upper Michigan Werner Electric Supply Locations. Offer ends March 31, 2018.
