Tidbits

What do you enjoy most about your internship with Werner Electric Supply?

I really enjoy working with my coworkers and having people trust in me with my projects.

How did your education prepare you for your internship?

My education did a great job of training me to use Excel and think like a purchaser through knowing the supply chain roles from case studies.

How will your internship prepare you for a future career?

I am far better at using ERP systems, and also have confidence in what I would like to do as a career.

What recommendations do you have for other students about doing an internship?

Ask questions about everything and don't forget to have some fun!
