## What do you enjoy most about your internship with Werner Electric Supply?

I have learned so much about the company, utilizing Excel, and other computer skills to run various reports.

## How did your education prepare you for your internship?

I took an Excel course in college which has proven beneficial in my day-to-day tasks.

## How will your internship prepare you for a future career?

This was my first-full time “real job”, and I learned what a professional setting may look like and how to communicate professionally and efficiently through phone, email, or face-to-face contact.

## What recommendations do you have for other students about doing an internship?

Don't be afraid to ask questions and shadow other departments if your interests/major fit that job better.
