What do you enjoy most about your internship with Werner Electric Supply?

The marketing team and Mike.

How did your education prepare you for your internship?

A recurring theme of responsibility is prevalent in the classroom as well the work space. The classroom gives you the concepts you have to apply to the workforce.

How will your internship prepare you for a future career?

Corporate experience. Marketing works with many other departments and that will be beneficial to me in the future.

What recommendations do you have for other students about doing an internship?

Meet as many people as you can and soak up all the knowledge possible from professionals in all departments.
