

# NEW HONEYWELL STOCK INVENTORY

FEATURING HONEYWELL LYRIC™ APP

At Werner Electric Supply, we've increased our inventory to match your home and comfort needs. The new Honeywell products include heating controls, water leak detection, and security cameras. [See reverse to view our new products >](#)

In addition to our new stock inventory, we would like to introduce you to the Honeywell Lyric™ app, used to remotely manage home comfort, security, awareness, and save you money on energy bills. It's as simple as syncing your device with the app.
