TECHNICAL TRAINING

Industrial Automation Courses

Our training courses are taught by certified Werner Electric Supply instructors — experienced teachers and experts in their fields. Our courses are tailored in scope and content to meet the needs of our attendees. Many courses are approved for CEU credit in Wisconsin.

For more information or to register, contact the Werner Electric Schools Coordinator: 920-815-4142 or school@wernerelectric.com

Curriculum

We have transitioned our training courses to a new pattern: *Introduction, Foundations,* and *Advanced* for Logix 5000, Visualization, EtherNet/IP, and Motion.

Introduction (FREE*):
Quick 1/2 day for beginners or as a refresher

Foundations:
Covers the most important concepts for a solid knowledge base

Advanced:
Provides details on in-depth programming, designing, and advanced troubleshooting

Get started with our new *INTRO* classes.

These quick 1/2 day classes are **FREE*** and provide a great introduction to industrial automation concepts.

**There is a $100 fee for Connected Components Workbench Introduction.*

Terms

All classes, except Introduction classes, will begin at 8:30 a.m. and run until 4:30 p.m. each day at Werner Electric Supply. Introduction classes run from 10:00 a.m. until 2:00 p.m. Lodging is available, but not included in the course fee.

The cost of each course includes class instruction, documentation, hands-on time, lunch each day, and a diploma upon completion of the course. As attendance is limited, reservations will be accepted on a first come, first served basis only. Completion of the Foundations course is a prerequisite for attending the corresponding Advanced course.

No reservations will be accepted until your check or purchase order made payable to WERNER ELECTRIC SUPPLY COMPANY is received at the Appleton office. Terms of payment: Net Upon Receipt. Send checks to: Werner Electric Supply Co., ATTENTION: School Coordinator, P.O. Box 1897, Appleton, WI 54912.

A cancellation charge equal to 1/2 of the school tuition fee will be charged for cancellations made less than 14 days before the school begins. Cancellations made less than 2 working days before the school begins will be charged the full tuition amount.

A minimum of 4 students need to be enrolled 10 business days prior to the start of class before class will be conducted. If a class is canceled, enrollees will be notified 10 business days prior to the scheduled start of that class and any applicable fees will be refunded.
