

Werner Electric University CEU Course Approvals

All courses listed with CEUs have been approved by the Wisconsin Department of Safety and Professional Services unless otherwise stated.

Applying Wireless Technologies to Connected Lighting as a Catalyst for the Internet of Things (IoT)

David Daugherty – Cooper Lighting

Credits – 1 CEU

WI DSPS Course #22274

Course Approved for:

Industrial Journeyman Electrician License

Journeyman Electrician License

Master Electrician License

Registered Electrician Registration

Dwelling Contractor Qualifier Certification

Cooling Basics

Bryan Stephans / Tony Monday – nVent HOFFMAN

Credits –1 CEU

WI DSPS Course #14749

Course Approved for:

Commercial Electrical Inspector Certification

Industrial Journeyman Electrician License

Journeyman Electrician License

Master Electrician License

Registered Electrician Registration

Residential Journeyman Electrician License

Residential Master Electrician License

UDC Electrical Inspector Certification

Data Monitoring - Motor Controls

Ed Becker – Hubbell Wiring

Credits –1 CEU

WI DSPS Course #22201

Course Approved for:

Commercial Electrical Inspector Certification

Industrial Journeyman Electrician License

Journeyman Electrician License

Master Electrician License

Registered Electrician Registration

Residential Journeyman Electrician License

Residential Master Electrician License

UDC Electrical Inspector Certification

Delivery Systems

Ed Becker – Hubbell Wiring

Credits –1 CEU

WI DSPS Course #16819

Course Approved for:

Commercial Electrical Inspector Certification

Industrial Journeyman Electrician License

Journeyman Electrician License

Master Electrician License

Registered Electrician Registration

Residential Journeyman Electrician License

Residential Master Electrician License

UDC Electrical Inspector Certification

Determining SCCR: UL 508A Supplement SB

Joe Pavia – Eaton Bussmann

Credits – 1 CEU

WI DSPS Course #19510

Course Approved for:

Commercial Electrical Inspector Certification

Industrial Journeyman Electrician License

Journeyman Electrician License

Master Electrician License

Registered Electrician Registration

Residential Journeyman Electrician License

Residential Master Electrician License

UDC Electrical Inspector Certification

Electric Vehicle Charging: Basics and Beyond

John Harpt– Werner Electric Supply

Credits – 1 CEU

WI DSPS Course #19479

Course Approved for:

Commercial Electrical Inspector Certification

Industrial Journeyman Electrician License

Journeyman Electrician License

Master Electrician License

Registered Electrician Registration

Residential Journeyman Electrician License

Residential Master Electrician License

UDC Electrical Inspector Certification

Enclosure Basics

Bryan Stephans / Tony Monday – nVent

HOFFMAN Credits – 1 CEU

WI DSPS Course #14750

Course Approved for:

Commercial Electrical Inspector Certification

Industrial Journeyman Electrician License

Journeyman Electrician License

Master Electrician License

Registered Electrician Registration

Residential Journeyman Electrician License

Residential Master Electrician License

UDC Electrical Inspector Certification

Exothermic Welding

Andy Creech – Harger/Mulcrone

Credits – 1 CEU

WI DSPS Course #20491

Course Approved for:

Commercial Electrical Inspector Certification

Industrial Journeyman Electrician License

Journeyman Electrician License

Master Electrician License

Registered Electrician Registration

UDC Electrical Inspector Certification

Werner Electric University CEU Course Approvals

All courses listed with CEUs have been approved by the Wisconsin Department of Safety and Professional Services unless otherwise stated.

Grounding and Bonding

Gerry Clark – nVent ERICO

Credits – 1 CEU

WI DSPS Course #20523

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Hazardous Location Code Review

Henry Friedman – Appleton

Credits – 1 CEU

WI DSPS Course #19854

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Innovative Track Lighting Systems

Ingrid McMasters – Enterprise Lighting

Credits – 1 CEU

WI DSPS Course #22447

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Intro to Home Automation

Josh Ferrell – Leviton

Credits – 1 CEU

WI DSPS Course #20296

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Littelfuse - Selective Coordination

Bobby Hall – Littelfuse

Credits – 1 CEU

WI DSPS Course #19508

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Medium Voltage Terminations

John Crimmings – 3M

Credits – 1 CEU

WI DSPS Course #19549

Course Approved for:

Industrial Journeyman Electrician License
UDC-Electrical Inspector Certification
Commercial Electrical Inspector Certification
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License

NEC Code Changes - Major Revisions of 2017 NEC and State SPS 316

Steve Froemming – Wisconsin IAEI

Credits – 2 CEU

WI DSPS Course #18776

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

New advances in Life Expectance Monitoring and Testing of Low Voltage Circuit Breakers

Dan Costello – Eaton

Credits – 1 PDH

Werner Electric University CEU Course Approvals

All courses listed with CEUs have been approved by the Wisconsin Department of Safety and Professional Services unless otherwise stated.

NFPA 70E Electrical Safety Seminar (2021 Code)

Joe Pavia – Eaton Bussmann

Credits – 1 CEU

WI DSPS Course #21565

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

NFPA 79 2021 Update

Joe Pavia – Eaton Bussmann

Credits – 2 CEU

WI DSPS Course #21109

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Predictive/Preventive Maintenance

Don Hogan – Fluke

Credits – 2 CEU

WI DSPS Course #20624

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Resilient Ground Connections

Kevin Bradway – IIsco

Credits – 1 CEU

WI DSPS Course #19799

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Safe Handling & Pulling Practices by Southwire

Todd Stillman – Southwire/JF Nolan

Credits – 1 CEU

WI DSPS Course #16661

Course Approved for:

Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License

Sub Metering 101

Kira Schmidt – Leviton

Credits – 1 CEU

WI DSPS Course #20292

Course Approved for:

Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License

Success Depends on the Crimp - Terminals & Power Connectors

Joie Kampen – Panduit/Core 4

Credits – 2 CEU

WI DSPS Course #19991

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Surge Protection Technologies and NEC Surge Requirements

Tom McCaughn – Eaton

Credits – 1 PDH

Werner Electric University CEU Course Approvals

All courses listed with CEUs have been approved by the Wisconsin Department of Safety and Professional Services unless otherwise stated.

Through Penetration Firestopping

John Crimmings – 3M

Credits – 1 CEU

WI DSPS Course #15659

Course Approved for:

Automatic Fire Sprinkler Contractor License
Automatic Fire Sprinkler Contractor-Maintenance
Commercial Building Inspector Certification
Commercial Electrical Inspector Certification
Commercial Plumbing Inspector Certification
Industrial Journeyman Electrician License
Journeyman Automatic Fire Sprinkler Fitter License
Journeyman Electrician License
Journeyman Plumber License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC-Construction Inspector Certification
UDC-Plumbing Inspector Certification

Tunable White LEDs – A Primer

Ingrid McMasters– Enterprise Lighting

Credits – 1 CEU

WI DSPS Course #18858

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Using Sensor Technology and Data Insights to Enhance Plant Safety, Reliability & Productivity

Grace Technologies – Andy Zimmerman

Credits – 1 CEU

WI DSPS Course #21230

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
UDC Electrical Inspector Certification

VFD Cable - Essential or Overkill?

Steve Wetzel – Southwire

Credits – 1 CEU

WI DSPS Course #19574

Course Approved for:

Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration

VFD Cable Termination

Mark Dulick – Southwire

Credits – 1 CEU

WI DSPS Course #21028

Course Approved for:

Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
