

Werner Electric University CEU Course Approvals

All courses listed with CEUs have been approved by the Wisconsin Department of Safety and Professional Services unless otherwise stated.

INDUSTRIAL/AUTOMATION TRAINING

Predictive/Preventive Maintenance

Mike Toby – Fluke
Credits – 2 CEUs
WI DSPS Course #20624

McLean Enclosure Cooling Basics/Hoffman Thermal Management

Bryan Stephans – Bunell & Associates
Tony Monday – Werner Electric Supply
Credits – 1 CEU
WI DSPS Course #14749

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

EtherNet 101

Lawrence Ortner – Werner Electric Supply
Credits – 1 CEU
WI DSPS Course #20147

Course Approved for:

Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration

VFD Cable - Essential or Overkill?

Steve Wetzel – Southwire
Credits – 1 CEU
WI DSPS Course #19574

Course Approved for:

Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration

Common Mode Voltages and How They Affect Motors

Dan Schmidt – MTE
Credits – 1 CEU
WI DSPS Course #20524

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
UDC Electrical Inspector Certification

New Advances in Life Expectance Monitoring and Testing of Low Voltage Circuit Breakers

Dan Costello – Eaton
Credits – 1 PDH

NEC 2017 SCCR Code Changes

Joe Pavia, P.E. – Eaton Bussmann
Credits – 1 CEU
WI DSPS Course #19510

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

DATACOM TRAINING

The Real Impact of High-Power PoE on Your IP Network

Kevin Kearney RCDD/NTS, CTS – Legrand
Credits – 1 BICSI CEC

Understanding Digital A/V Technology in the 21st Century Classroom

Kevin Kearney RCDD/NTS, CTS – Legrand
Credits – 1 BICSI CEC

Elements of Structured Wiring for A/V Applications

Kevin Kearney RCDD/NTS, CTS – Legrand
Credits – 1 BICSI CEC

PVC Coated Conduit Installation Training

Bryan Hoff – Mulcrone & Associates
Credits – 1.5 CEUs
WI DSPS Course #20492

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
UDC Electrical Inspector Certification

Werner Electric University CEU Course Approvals

All courses listed with CEUs have been approved by the Wisconsin Department of Safety and Professional Services unless otherwise stated.

CONTRACTOR TRAINING

Grounding and Bonding

Robert Young – Erico
Credits – 1 CEU
WI DSPS Course #20523

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Resilient Ground Connections

Dan Held – ILSCO
Credits – 1 CEU
WI DSPS Course #19799

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Introduction to Home Automation

Josh Ferrell – Leviton
Credits – 1 CEU
WI DSPS Course #20296

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Delivery Systems

Ed Becker – Hubbell Wiring
Credits – 1 CEU
WI DSPS Course #16819

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Electric Vehicle Charging: Basics and Beyond

Brian Levin – ChargePoint
Credits – 1 CEU
WI DSPS Course #19479

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Firestop Methods

John Crimmings – Casey Electric Sales
Credits – 1 CEU
WI DSPS Course #20156

Course Approved for:

Commercial Electrical Inspector Certification
Commercial Plumbing Inspector Certification
Cross Connection Control Tester Registration
Industrial Journeyman Electrician License
Journeyman Electrician License
Journeyman Plumber License
Journeyman Plumber Restricted Service License
Master Electrician License
Master Plumber License
Master Plumber Restricted Appliance License
Master Plumber Restricted Service License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification
UDC Plumbing Inspector Certification
Utility Contractor License

Circadian Justified and Calculated for WELL Buildings

Kristen Mallardi – Acuity Brands
Credits – 1AIA LU, HSW

Submetering 101

Ronald Newton – Leviton
Credits – 1 CEU
WI DSPS Course #20292

Course Approved for:

Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License

Werner Electric University CEU Course Approvals

All courses listed with CEUs have been approved by the Wisconsin Department of Safety and Professional Services unless otherwise stated.

CONTRACTOR TRAINING (continued)

Practical Considerations of Networked Lighting Controls

John McBride – Acuity Brands

Credits – 1 CEU

WI DSPS Course #20613

Understanding Wireless Lighting Controls

Ingrid McMasters & Tim Martin – Enterprise Lighting

Credits – 1 CEU

WI DSPS Course #20561

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

WI Commercial Building Code Lighting Controls

Harold Jepsen – Legrand

Credits – 1 CEU

WI DSPS Course #20441

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Selective Coordination

Tim Piemonte – Littelfuse

Credits – 1 CEU

WI DSPS Course #20003

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

NFPA 70E Electrical Seminar

Patrick Liebe – Werner Electric Supply

Credits – 2 CEUs

WI DSPS Course #16084

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

Safe Handling & Pulling Practices by Southwire

John Hoelz – J.F. Nolan & Associates

Credits – 1 CEU

WI DSPS Course #16661

Course Approved for:

Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License

Hazardous Location Code Review Condensed

Joseph Wilson – Emerson Automation Solutions

Credits – 1 CEU

WI DSPS Course #19854

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification

NEC Code Changes - Major Revisions of 2017 NEC and State SPS 316

Steve Froemming – Wisconsin IAEI

Credits – 2 CEUs

WI DSPS Course #18776

Course Approved for:

Commercial Electrical Inspector Certification
Industrial Journeyman Electrician License
Journeyman Electrician License
Master Electrician License
Registered Electrician Registration
Residential Journeyman Electrician License
Residential Master Electrician License
UDC Electrical Inspector Certification
