HellermannTyton

Join OutBack Power and HellermannTyton for a full day of training at Werner Electric Supply. Learn about the latest innovative products and important changes to the 2017 NEC code.

OutBack Power – Morning Session Training Topics

- New OutBack SkyBox Inverters
- SystemEdge Packages
- AC Coupling Solutions

HellermannTyton – Afternoon Session Training Topics

HellermannTyton training will focus on the 2017 NEC code changes including Article 690 - Solar Inverters and Article 705 - Interconnected Electric Power Production Sources. Areas addressed within these topics:

- Rapid Shutdown
- Labeling
- Proper Wire Sizing/OCRD Sizing
- Proper Wiring/Industry Best Practices
- AFCI/GFCI Requirements

If time permits, IBC and IFC requirements for maximum array sizing, roof placement and fire lanes, will also be covered.
